Title of Invention	MULTI-MODULATION RECEPTION METHOD BASED ON DEMODULATION OF SIGNALS FROM MODULATIONS WHOSE SYMBOLS ARE INCLUDED IN A MAIN CONSTELLATION
Agent's File	W51.12-0032

**SUPPLEMENTAL DECLARATION OF PATRICE VIDON**

I, Patrice Vidon, hereby declare as follows, the facts of which I have first-hand knowledge:

1. I am a French Patent & Trademark Attorney and am CEO of Cabinet Vidon, having an office at: Technopole Atalante, 16B, rue de Jouanet, BP 90333, F-35703 Rennes Cedex 7, France.

2. I represent Wavecom, having an office at: 3, Esplanade du Foncet, 92442 Issy-Les-Moulineaux Cedex, France.

3. Wavecom is the owner of U.S. Patent Application No. 10/587,908.

4. In response to the Decision dated June 29, 2007 on Applicant's petition, I instructed individuals in my office, Cabinet Vidon, to make further efforts to reach the missing inventor, Damien Pouessel.

5. Specifically, we asked our client, Wavecom, if they have a phone number or email address with which we might reach Damien Pouessel, but they do not.

6. Consequently, we tried to find the address and phone number of Mr. Pouessel through the National French Telephone Directory (called 'White pages') on the Internet, but were unsuccessful. We have found only one person called Damien Pouessel, but he is a clinician. The results of the further search are attached hereto as Exhibit A.

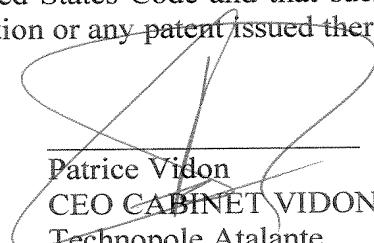

7. Accordingly, we made a diligent effort to reach Mr. Pouessel, but were unsuccessful. Mr. Pouessel cannot be reached to complete the Declaration for the U.S. patent application.

8. I declare that all statements made herein that are of my own knowledge are true

Declaration of Patrice Vidon

and that all statements that are made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both under 18 U.S.C. §1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Signed,

Patrice Vidon  
CEO CABINET VIDON  
Technopole Atalante

16B, rue de Jouanet, BP 90333, F-35703  
Rennes Cedex 7, France.
